5. **Dear Coach Gable and the CB South Track and Field Team,**

We are so grateful for your generosity and thoughtfulness. Your gift will provide the nearly 200 runners at Kutz Elementary School with running incentives and rewards. We give out incentives for children that work to help others, participate in discussions regarding nutrition and fitness, and for giving their best effort when running. Thanks for making our children happier and our hearts bigger!

Fondly, Jaime Koller, Sal Lentini, Kutz Elementary School & iRun4Life Directors

Your donation went toward the purchase of water bottles for all of our runners. 8. Dear CB South Track & Field Team:

With your generous donation to the iRun4Life program, you helped us purchase our team shirts. With your funds, we were able to upgrade the shirts from cotton to tech shirts and more importantly add our school motto "We Can. We Did. We Will." This motto is so important to our school and students after the fire at our school earlier this

year. Our program has 136 students and 25 volunteers and we were able to get everyone a shirt for their participation. The kids are so looking forward to wearing these shirts with pride to the 3K race on May 19th! Please feel free to come and run with us at one of our practices next year. You would be such a great inspiration and role models for the kids.

Sincerely, Cold Spring Elementary iRun4Life Students, Volunteers and Directors

9. Dear Coach Gable,

The students of Doyle Elementary School iRun4Life program send their thanks for your generous donation! We were able to purchase a couple weeks' worth of healthy snacks. Their favorite was Soft Pretzels which we enjoyed after our iRun4Life gives back run day. Most of our kids ran the entire hour! The pretzels were a treat, for sure! Please pass along our gratitude to your team.

Kind Regards -Jessica Shaffer, Libby Miekley and Doyle Elementary iRun4Life students

10. Dear Coach Gable,

Thank you so much for your donation. We used the funds for color run supplies and the kids loved it!

Regards, Krissy Norcross – Warwick Elementary and iRun4Life runners

11. Dear Coach Gable & Team,

Jamison Elementary is so grateful for the donation from Coach Gable and the CB South Track and Field team! The weekly snack is one of first things the kids ask about when they get to iRun each week and the goldfish were a huge hit! And the sunglasses for our color run were made so much more special for the kids coming from the "big kids" they look up to. The runners were so inspired and enthusiastic to try their best knowing the CB South Track and Field team was cheering them on and thinking of them. I can't tell you how many parents came up to me personally this season to thank the program for encouraging and promoting the runners to get out and be active. Tell Coach Gable he has a lot of up and coming athletes heading his way from Jamison Elementary thanks to the thoughtful "big kids" he coaches now!

Thanks a million times over, Jessica Philp - Jamison Elementary iRun4Life Director
